

Mattress for Sun Bed

Ref. E5108 - Mattress for Sun Bed

Designed to last, created for relaxation.

A mattress for sun beds, ideal for use in **pool areas** and **outdoor spaces**.

Made from PVC-coated polyester mesh, which is **washable** and **waterproof**, it ensures **easy maintenance** and **durability**.

With an inner lining made of flexible polyurethane foam to provide greater **comfort**.

Advantages:

- **Washable** and **waterproof** fabric;
- Flexible foam for greater **comfort**;
- Durable enough for **everyday use**;
- 2-year **warranty** against manufacturing defects.

Informations:

Fabric:

Composed of 80% PVC and 20% polyester.

Core:

Flexible polyurethane foam sheet, with a density of 18 to 20 kg/m³ (with a tolerance of ± 2 kg/m³).

Side Panel:

Smooth with a zip fastening. Optionally, a contrasting trim can be added.

Packaging:

In smooth, transparent plastic.

Dimensions:

180 x 52 x 3 cm

Precautions to take:

- Wipe with a damp cloth, do not use oxidising products, bleach or other products containing chlorine;
- Do not leave the mattress out in the rain, as standing water will seep into the seams and may damage the foam.
